Dear Muma

Tell Andrade I have read him in Spanish
 Once & your translations six times & that
 as writers I feel we are brothers. The copy
 you gave me with its beautifully lavish in-
 scription, & another copy I bought, both
 queerly vanished, somehow "misappropriated"
 by visitors fascinated by the title Secret Country.
 Anyhow my scouts have now sought out three
 copies & I want you to send me a slip of paper
 with another inscription I can paste in.
 Andrade is my brother in the poetry quest
 a little more than any other in this hemi-
 sphere unless it might be Tom Ferril of Den-
 ver... It was so good to hear your voice
 bright & laughing. The hope is we meet again
 this April or May when I'm in Wash D.C. Love
 and blessings -

Carl
